Please be advised that each residence is furnished with one (1) trash (all blue) and one (1) recycle kart (blue with gray lid), which is provided by the City's contracted solid waste collector. Please confirm that such items are present at the residence when you initiate service. You should contact this office immediately if such items are not present at the residence. Missing trash or recycling containers may result in a \$75 replacement charge per kart. It is the responsibility to verify you are billed for the correct number of trash and recycle karts on your monthly utility bill. The city charges an additional monthly fee for each extra trash kart above one (1).

Please indicate which **items you currently have**:
