

City of Gulf Breeze

Memorandum

To: Samantha Abell - City Manager
From: Craig Chamberlin, Neighborhood Services Coordinator
Thru: Craig S. Carmichael, Director of Community Services
Date: January 13, 2022
Subject: Authorization to Advertise the Invitation to Bid for McClure Drive Sidewalk Replacement Project

REQUEST:

That the City Council meet as the Community Redevelopment Agency (CRA) on January 18, 2022, and authorize advertising for bids for the replacement of approximately 500 feet of broken and dated sidewalk along McClure Drive.

BACKGROUND:

In 2018, the City completed an Americans with Disabilities Act (ADA) transition plan identifying infrastructure improvements that could be made to provide better accessibility for people with disabilities. The sidewalk on McClure Drive was listed in the report with an estimated improvement cost of \$31,000. These improvements were budgeted to be completed concurrent to the paving of McClure in 2028.

DISCUSSION:

Recently, a resident brought some accessibility issues to the City's attention and the McClure Drive sidewalk was identified as a core concern. A staff inspection determined that the sidewalk had further deteriorated since the ADA report and was in need of immediate attention. Staff has prepared documents for council consideration to advertise these improvements for bid.

FINANCIAL IMPACT:

Once bids are received staff will present prices to the Council for consideration. Referencing 2018 prices the project is estimated to cost \$31,000. As these expenses were not budgeted in the FY22 budget, staff recommends Council utilize reserve funding to expedite this project. The CRA fund has an estimated unencumbered reserve of \$170,463.

RECOMMENDATION:

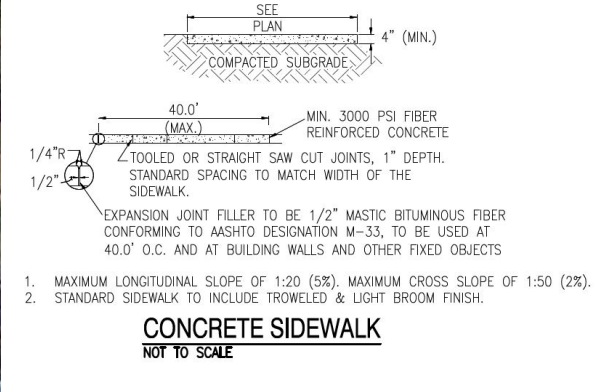

850.934.5115 • FAX 850.934.5114
P.O. BOX 640 • 1070 SHORELINE DRIVE • GULF BREEZE, FLORIDA 32562-0640
