Welcome from the City Manager

Dear Mayor and Council,

The month of November closed out as expected. Though early in the new fiscal year, we are still on track with project and program benchmarks, and experienced no unforeseen budget expenditures. A few notable highlights within this report include the number of significant events for the Gulf Breeze Police Department, which demanded heightened attention as well as extra performance from the Communications Division. These emergency responses are significant because of the attention needed from Dispatch, either because of their life-threatening nature, or because of the multiple simultaneous actions being conducted by Dispatch. This year marks the first year since the inception of the City's emergency call center that Dispatch is staffed by at least two certified Dispatchers for all three shifts, utilizing both part-time and full-time hours.

A total of 1.25 inches of rain fell in November. Jason Randell was promoted from Utility Manager to Interim Director of Public Services to fill the vacancy left by Vernon Prather's promotion to Assistant City Manager. Danny Hall was promoted from Water Distribution Foreman to Interim Water & Sewer Supervisor. Ron Davis, Water Plants Foreman achieved his 30-year anniversary in working for the City.

Lastly, the Rec center recorded a total attendance of 1,784 students that participated in the after school program.

Sincerely,

Samantha Abell
City Manager

City Clerks

- Six City Council and/or committee meetings were held in November 2017;
- Assisted Special Consultant to City Manager with preparation of and attended two meeting of the Gulf Breeze Citizens' Academy;
- Processed various invoices for payment;
- Assisted various employees with insurance questions and service issues;
- Provided notice of red light camera meeting to violator, prepared proposed Final Administrative Order, and attended the hearing;
- Coordinated staff to assist Gulf Breeze Elementary School with Bike Fest in the morning and afternoon;
- Coordinated first annual employee recognition program by distributing nomination forms to all employees and scheduled two meetings of the committee;
- Worked with Bond Council's legal assistant to coordinate TEFRA hearings and assist with providing Council meeting dates for resolution adoption;
- Organized retirement party for retiring Utility Billing Supervisor by ordering lunch and cake, preparation of table decorations, notification of employees, set up and assisted with breakdown;
- Decorated City Hall for the Christmas holiday.

Statistics/Performance Data:

- 9 meetings (City Council, Architectural Review Board, Red Light Camera, Citizens Academy)
- 4 Request for Proposal/Bid/Qualifications bid openings:
Police Department Expansion, ¾ Ton Pickup Truck, Splash Pad, Shoreline Park Multi-Sports Practice Facility
- 7 Public Records Requests
- 9 inquiries from City website
- 2 Notary Public services (offered free to residents)

Human Resources:

- 2 new hires processed (1 full-time; 1 part-time)
- 1 terminations processed (full-time)

- 3 New Workers Compensation cases in November
- Drug Testing: (3 pre-employment & 1 post-accident)

Strategic Priorities Update:

Implementation of meeting/agenda management software. The City Clerks' office is set to launch the new agenda software on January 2, 2018. The software will allow for the following (1) creation of meeting schedules, agendas, minutes, voting, and attendance records more efficiently; (2) provide a link from the City's website to the agenda/minute portal; and (3) provide for online access to historical and archived records for public and/or staff use.

Completion of City Hall Renovation. (Staff has engaged a volunteer to assist with replacement of the council chairs, mayoral picture display, valances for the Council Chambers and several other projects in City Hall. We hope to bring a design board to the Council soon with chose options.) In the summer of 2014, the City Council approved the expenditure of \$50,000 for renovations to the interior of City Hall. Although a majority of the renovations are complete, there are a couple items needed to finish the project: purchase of 50 chairs for the Council Chambers and updating of the mayoral pictures within a display design. Recently added to the scope of renovation is updating the kitchen and possible redesign of the Administrative offices.

Create a City Clerks page on the City's website. The City Clerks' office has created a draft of the "City Clerks" page within the City's website. Once the page has been finalized, the page will go live. Included on the page is a link to make a public records request. This page will allow citizens to submit a public records request electronically. The requestor will receive an automatic response acknowledging receipt of the request. The request will go directly to one email that both City Clerks receive (CityClerks@gulfbreezefl.gov). The purpose of the City Clerks' page is to streamline and prioritize requests as they are received. In addition, this page will provide quick links to our minutes, agendas, code of

ordinances, and related websites. The City Clerks' office would not refuse to fulfill any request should the person choose not to use the webpage portal.

(There are no updates on the below item.)

Development of a Public Records Management Program/Policy and the destruction of documentation pursuant to Florida's records retention schedules. The City Clerks' office has not destroyed public records/documentation since 2006. There are a vast number of public records that can now be destroyed. There is a need to properly document and dispose of records that have met their retention requirements according to the State of Florida records retention schedule. In addition, the City Clerks' office would like to develop a public records management program/policy. This program allow for the efficient, effective, and economical management of the City's public records. A records management program/policy will benefit the City by lowering the risk of litigation, the timely retrieval of records, ensuring compliance, and a better knowledge of the records we have.

IT Department

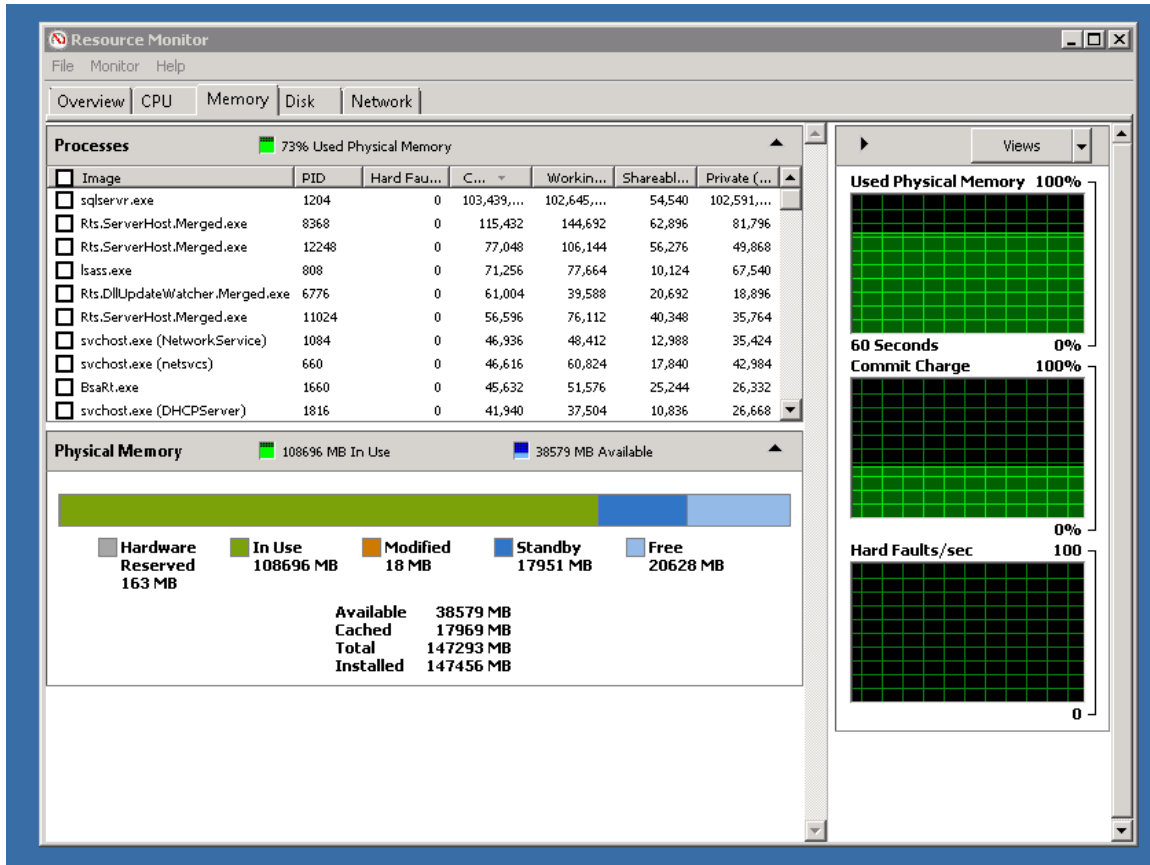

WEBSITE REFRESH

- The main website was given a cosmetic overhaul and departmental pages have been updated.
- The auto playing picture marquee was enlarged on the main landing page.
- The back white display page was updated with a picturesque sunset and water.
- The areas labeled “Most Requested” and “Helpful Links” moved and enlarged.
- Bridge Cam’s moved higher to accommodate users who utilized this area the most per our google analytic report.

FINANCIAL / BS&A SERVER:

- Server appears to be running better after memory ram update from 96 gb to 144gb with 120 gb allocated to SQL services which uses the most because of BS&A.
- This updated configuration allows the server to have plenty of resources for the main system and SQL separately.

IT WEBINARS:

- IT department coordinated with various departments to stay abreast of current technology via webinars, talks and conference calls. Companies interacted with: CLK Media Co., KMS communications, AT&T, CDWG, and BBVA.

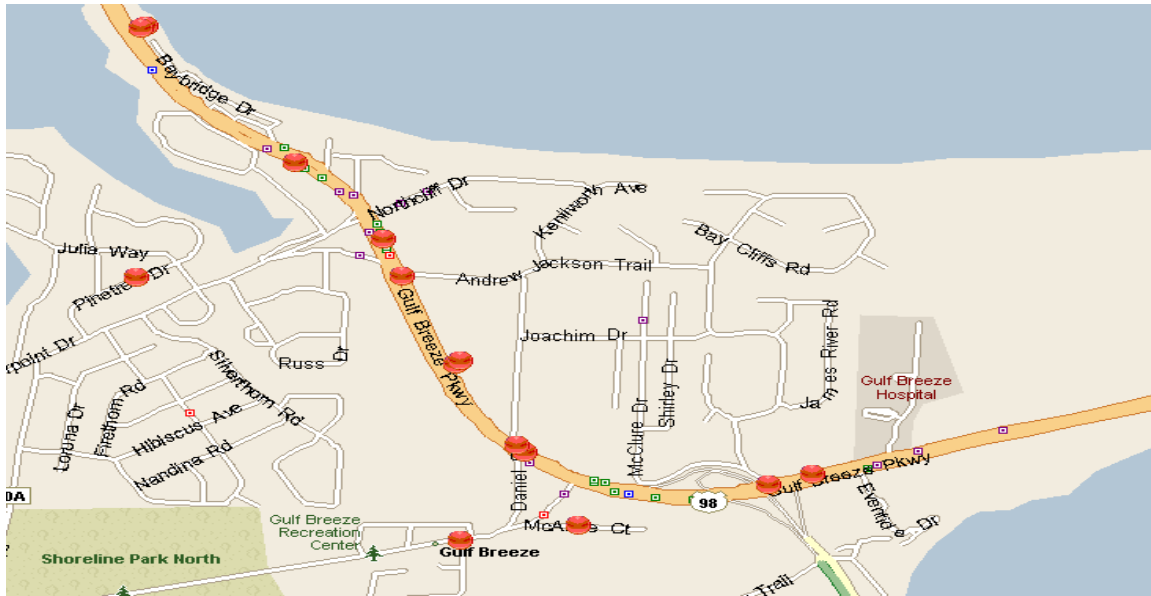

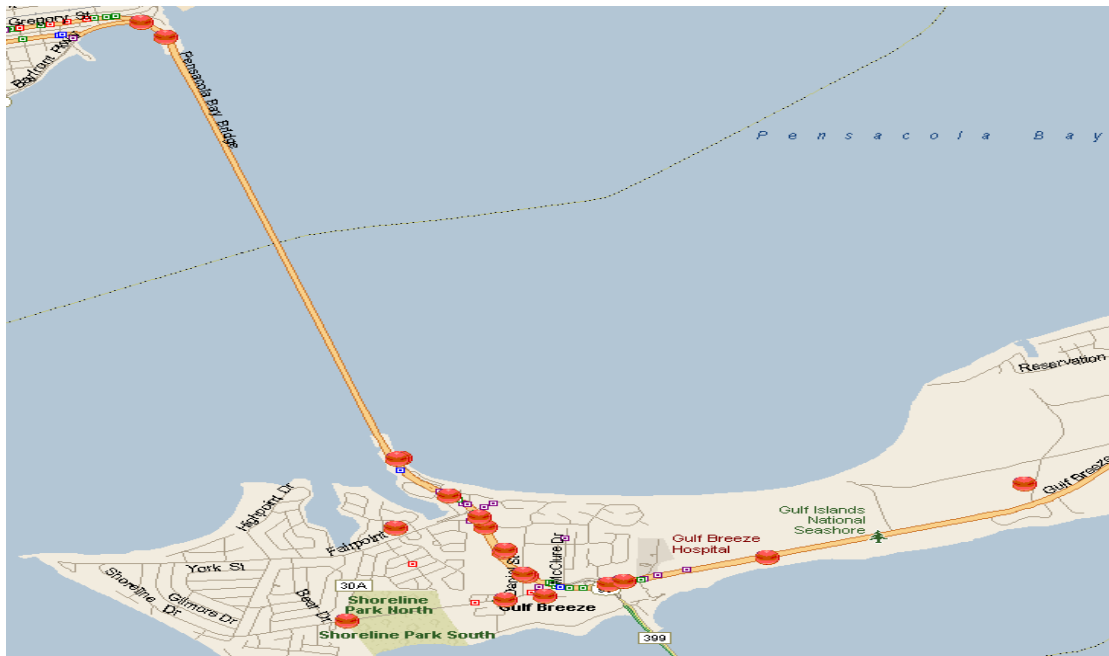

Police Department

Administration

The Police Administration consists of the Chief of Police, Deputy Chief, Administrative Assistant, Records Clerk, Part time Red Light Camera Clerk and I.T.

- Eight welcome letters were handed out to new residents by officers
- 19 contacts with Records Clerk that individuals paid for fingerprints, reports etc. (does not include phone calls)
- 231 Red Light Camera contacts made in regards to payments (either mailed in, in person or by phone), this does not include phone calls regarding questions about a Red Light Camera Ticket.
- 688 contacts with individuals at the front window or phone calls needing assistance.
- The Patrol Division is divided into four 12 hour shifts. There are currently 3 Sergeants assigned to Patrol and 8 full time Patrol officers. The Patrol Unit is supplemented by 5 part time officers.

Responses by Day

Criminal Investigation Unit

There are currently 2 Investigators and 1 Sergeant assigned to the criminal investigations unit. One investigator is assigned to the DEA and is working in their HIDTA unit.

During the month of November 2017, the Investigation's Division has participated in 1 ICAC investigation, covertly placed 2 cameras within the city for surveillance.

The Investigation's Division currently has 15 open cases it is actively working.

Our narcotics assisted patrol with 5 patrol narcotics cases. HIDTA conducted an additional nine (9) controlled purchases targeting cocaine, methamphetamine and opioid traffickers in the tri-county area. HIDTA coordinated with the DEA Los Angeles Field Division with the location and arrest of a federal fugitive indicted in Pensacola for conspiracy to distribute/possess marijuana and money laundering charges.

Our Investigations Division processed into our evidence vault 242 pieces of evidence this month.

Communications Center

The Communications Division of the Gulf Breeze Police Department receives calls for service via 3 incoming phone lines and 2 incoming 911 lines. We also monitor and dispatch over the radio for the Gulf Breeze Police Department, Gulf Breeze Fire Rescue, and the National Park Service Law Enforcement Rangers. In addition, we handle after-hours calls for Gulf Breeze Public Works, South Santa Rosa Utility Service, and the Florida sections of the Gulf Islands National Seashore, National Park (Perdido Key, Fort Pickens, Santa Rosa, and Naval Live Oaks).

In addition to the incoming phone calls, and radio traffic, Dispatchers also make outgoing phone calls to surrounding agencies and jurisdictions to initiate / coordinate out of area response for additional Law Enforcement or Fire / Rescue needs.

Communications Division is staffed by four Full-Time Dispatchers (which includes a Lead Dispatcher) and 7 Part-Time Dispatchers. Two of the dispatchers are currently in training. There are Two Dispatchers scheduled during the day time, Monday - Friday, and every Evening Shift (2pm - 10pm). All other shifts (Day Shifts on Saturday and Sunday, and Every Midnight Shift) is covered by one Dispatcher.

November Nixle: 14,933 subscribers. 82 increase from October. 84 Messages sent.

Phone / 911 Calls

During the month of November, 2017, Communications Division recorded a total of 5759 total phone calls via normal phone lines, and the 911 lines (7.43% increase from last month).

Computer Aided Dispatch

Gulf Breeze Communications utilizes a Computer Aided Dispatch tool to track Calls Created by either incoming phone calls from complainants, or self-generated activity by Police or Fire units. During the month of November, 2017, there were a total of 1765 calls generated (11.08% decrease from last month / decrease can likely be attributed to a reduction in calls for service in the National Parks which were closed after Hurricane Damage which occurred during the first week of October, and have not reopened at the time of the report).

Significant Events

There were a number of significant events that demanded heightened attention, and / or extra performance from the Communications Division during November, 2017. These events are significant because of the attention needed from Dispatch either because of their life-threatening nature, or because of the multiple simultaneous actions being conducted by Dispatch:

- Dispatchers handled a Commercial Structure Fire where outgoing phone calls were made to multiple agencies requesting assistance, and several talk groups were patched and monitored.
- Coordinated Police and Fire response to a Cardiac Arrest with CPR Instructions being given to the caller.
- Disturbance in progress with multiple simultaneous 911 calls incoming.
- Burglary in Progress called in by a female juvenile who was hiding in her bedroom while hearing unknown person in her house.
- Aggressive pit bull, in the act of killing cats / complainant tackled the dog and was holding it down. Dog remained aggressive and attacked another pet while officer on scene (taser deployed).
- Aggravated Assault on Law Enforcement Officer / Pursuit event where the two Dispatchers kept up with the location of the pursuit, coordinated response of two other agencies, arranged for school lockdown, all while fielding other incoming calls on the regular phone line and the 911 lines.
- Working Residential Structure Fire with multiple Fire Departments patched together and monitored by Gulf Breeze. More phone calls than normal had to be made requesting mutual aid resources due to normally requested departments not being available. Also, at the same time as the beginning stages of the Fire response, there was an activated Residential Burglar alarm being worked by PD.
- Active 911 call with Physical Disturbance / Domestic Violence in progress in the background. Caller had dialed 911 and threw the phone down, no contact was able to be made with caller while ongoing Physical Disturbance was happening in a moving vehicle. Used Power 911, and networked with Santa Rosa Sheriff's Office to follow the vehicle, and figure out a probable destination. Dispatch had to request Escambia Sheriff's Deputies from Pensacola Beach to respond to location

in our city because no officers were available to take the call. Female was reached, and located by ECSO (had broken arm and other signs of battery).

Water & Sewer / South Santa Rosa Utility System -Public Services

November Highlights: A total of 1.25 inches of rain fell in November. Jason Randell was promoted from Utility Manager to Interim Director of Public Services to fill the vacancy left by Vernon Prather's promotion to Assistant City Manager. Danny Hall was promoted from Water Distribution Foreman to Interim Water & Sewer Supervisor. Ron Davis, Water Plants Foreman achieved his 30-year anniversary in working for the City.

Wastewater Treatment Facility: Operations were normal for the month. The automation project is 100% complete. The new plant permit should have final approval in mid-January which will include a reduction in staffing from 16 hours per day to 8 hours per day seven days per week. The inmate squad repainted the white fence along #1 fairway on the east Course and performed routine maintenance on the West Course.

Water Distribution & Sewer Collection: Operations were normal for the month. There were three water main breaks, one outside the City limits and two inside City limits. Each leak was caused by construction activities, and were all repaired by staff in a timely manner. Staff painted eleven City fire hydrants.

Operator Certifications: Cody Foster, Dillon Tyree, Will Berkley and Steve Mowery continue to work on their Water Distribution III coursework and Jeremy Norris and Keenan Elder are working on their Water Plant Operator Certification course. Staff is looking into a Confined Space Training that will be hosted at the Community Center.

Department staff setup and attended a meeting between the architect of record for the Arbors project and the Chairman of the ARB regarding field changes. See comments in the ARB section of the Development Activity header for more details.

Finance Department

The primary focus of the Finance Department has been structured around closing processes for the fiscal year ending 9/30/2017. The accounting staff have been busy with year-end accruals of accounts payable invoices and calculating leave balances for the calendar year. The Senior Accountant and Finance Director are working long hours to complete the audit related work and the current estimate to fully complete the audit is March 2018. External auditors will be on-site for two weeks beginning January 2, 2018, and the remaining work will be accomplished electronically.

The newly hired Finance Director, Jeanne Griffin, began employment on November 6, 2017. With the retirement of Patsy Mitchell, her first task was to hire a replacement for Patsy. Joanne Oliver began employment on December 4, 2017. Patsy Mitchell is working (2) days per week for the month of December 2017, and will officially retire on January 1, 2018.

In addition to the audit work, staff evaluations for the utility billing department were completed early December and evaluations for accounting staff are pending. One temporary staff was let-go in November due to absenteeism. The management team is currently interviewing potential candidates through temporary services. The department has one customer service representative going on a month-long trip to Japan in January and one customer service representative is having surgery in February.

STRATEGIC PRIORITIES UPDATE:

1. Shoreline South Gazebo Rehabilitation Project: The Pre-Bid meeting was held at Shoreline Park South on August 15, 2017 at 9:30 a.m. A total of six contractors participated in an onsite tour of the gazebos and received a copy of the full bid proposal with diagrams. The Bid Opening was held at City Hall on August 24, 2017. Etheridge Construction and Jay Miller Construction were the two contractors that submitted bids. Dewberry and Associates opened the bids and communicated a recommendation to Mr. Pulley by September 7, 2017. On September 15, 2017 Ron submitted a Council memo to recommend that Council authorize additional capital funding in the amount of \$ 47,035.50 and award a contract for the Shoreline Park Gazebo Replacement Project to Etheridge Construction at their bid price of \$357,035.50.

The contract was signed and delivered on November 14, 2017. The first Pre- Construction meeting was held on November 27, 2017 at 10:00 a.m. This meeting presented some further delays due to manufacturer time lines. Etheridge Construction and Dewberry Architects are currently working on the updated timeline and will re- schedule another Pre- Construction Meeting.

| Performance Factors: | We had the GCF Nov. lunch with us on the 9th. They are supposed to have 45 guests every month and they had 76. It grew roughly 10 people from October to November. We had the Bayside FC FootGolf tournament on Sat. the 4th. 93 kids played in it with parents watching. 140 players on Friday the 24th which caused us to have to rent 15 golf carts. |

| Marketing Activity: | Went to the Gulf Breeze/Navarre Chamber After Hours Event. One of the Realtors I met brought one of his clients out for a couple rounds of golf while they were in town searching for a new home. He has also come over for dinner with us. Sent out weekly e-blasts. Created the "Tiger Point Customer Satisfaction Index". |
