PRESS RELEASE

December 23, 2024

FOR IMMEDIATE RELEASE

On Friday, December 20th, the Fairpoint Regional Water System, Inc. (FRUS) transmission main, which provides drinking water to all of South Santa Rosa County, experienced a catastrophic failure. As a result, the affected line will be shut down for repairs until further notice. The Gulf Breeze Regional Water System utilizes water from the ECUA as a contingency back up during events such as this. Water conservation is critical during this time.

Please be mindful of your water usage.

Thank you for your understanding and cooperation.
